

## Subject: Reminder to Register for 2010 CA Charter Schools Conference

This is a reminder that all presenters must be registered for the conference. We do not currently show you as registered with this email address.

Presenters have three registration options:

1. Full conference registration
2. One Day registration
3. You may also register as "Presentation Only" at no cost, however there are severe limitations to the "Presentation Only" option. You may only visit the session room where you are presenting and may not partake in any other conference activities. You will not be able to visit the exhibit hall or any other sessions. This policy will be strictly enforced in 2010.

Presenters who have not already registered should visit our private presenter online registration link to register (if you have not received this link, please contact the Registration Office). We encourage you to register by January 29th to take advantage of the better rate. After January 29th, pricing increases.

If you believe you have already registered, please contact the Registration Office at [charterconf@continue.uoregon.edu](mailto:charterconf@continue.uoregon.edu) or 800-280-6218/541-346-3537 to verify. If you have any questions about your session, problems with the scheduled time, or wish to cancel your session, please e-mail [chartercfp@continue.uoregon.edu](mailto:chartercfp@continue.uoregon.edu).
